

Thessaloniki International Vitreo-Retinal Summer School

9th

24-29
June
2019

tvrs.gr

Dear Colleagues and Friends,

I am happy to announce that in 2019, the 9th TVRS is coming **back to Thessaloniki** to a new renovated site in JUNE 24 - 29. This year there will be **more Wet Lab Lectures**, followed by Wet Lab **Practical Application**. Also The Advanced Vitreoretinal **3D Ngenuity Course** by the use of the latest floor Microscopes and Wide Angle Observation Systems and by using the latest evolution **BIONIKO Artificial eyes**, Including lens reposition, cataract complications and FB removal and much more.

As usual with a training faculty of more than **30 International Experts** and live surgery transmission.

On behalf of the organizing committee,
Athanasios Nikolakopoulos
