## 5<sup>th</sup> Uveitis Course

University Eye Hospital Tübingen  
**Venice 14. – 20.02.2015**

In **February 2015** we will again organize an **International Uveitis Course**, again on the beautiful San Servolo Island in front of Venice.

It will again take place at the Venice International University, where participants will reside for the entire duration of the course.

Besides covering the whole field of uveitis, special topics will be offered in four small interactive groups: to learn how to evaluate uveitis patients, to rationally develop a differential diagnosis, to interpret fluorescein and indocyanine green angiographic findings, and to optimize immunosuppressive therapy. The interactive program will allow in depth discussion on management of even complicated uveitis issues.

The course will be limited to 54 participants.

The faculty is composed of highly experienced uveitis specialists who are well known for their teaching skills.

I hope we can wellcome you in Venice.

EACCME  
European Accreditation Council for Continuing Medical Education

## Certificate

4th Uveitis Course  
Venice, Italy (9.–15.02.2013)

has been accredited by the European Accreditation Council for Continuing Medical Education (EACCME) to provide the following CME activity for medical specialists.

4th Uveitis Course  
is designated for a maximum of, or up to 29 European CME credits (ECMEC).

**Tarek Bayoud, MD**  
Tuebingen, Germany

Each medical specialist should claim only those credits that he/she actually spent in the educational activity.

The EACCME is an institution of the European Union of Medical Specialists (UEMS), [www.uems.net](http://www.uems.net)

Through an agreement between the European Union of Medical Specialists and the American Medical Association, physicians may convert EACCME credits to an equivalent number of AMA PRA Category 1 Credits™. Information on the process to convert EACCME credit to AMA credit can be found at [www.ama-assn.org/go/internationalcme](http://www.ama-assn.org/go/internationalcme).

Live educational activities, occurring outside of Canada, recognized by the UEMS-EACCME for ECMEC credits are deemed to be Accredited Group Learning Activities (Section 1) as defined by the Maintenance of Certification Program of The Royal College of Physicians and Surgeons of Canada.
